Adventure - Built-in Refrigerators - Cruise

CR65

Cruise refrigerators are true compressor refrigerators with high performance comparable to the fridge in your home and are designed for safe food temperature storage.

Medium-size motorhome refrigerator with a rational design to fully use all the volume available. Cruise 65 has a large internal capacity and an internal door designed to hold half-litre bottles and cans. The ventilated compressor is integrated in the upper part of the refrigerator; it comes with an internal light. With easyfix fixing.
